

Terms and Conditions for YourGenes

Welcome to YourGenes! These Terms and conditions ("Terms") govern your access to and use of our services, including our pharmacogenetics (PGx) reports, software, and any other tools, features, or content provided by YourGenes ("Services"). By using our Services, you agree to comply with and be bound by these Terms. Please read them carefully before using our platform.

- 1. Acceptance of Terms** By accessing or using YourGenes, you agree to be bound by these Terms, as well as any additional guidelines, rules, or policies that are referenced in this document or provided by YourGenes. If you do not agree to these Terms, you must refrain from using our Services.
- 2. Use of Services** YourGenes provides pharmacogenetics insights based on genetic data, including DNA test results. You agree to use our Services only for lawful purposes and in accordance with applicable laws and regulations. You are responsible for maintaining the confidentiality of your account and ensuring that all information you provide is accurate and complete.
- 3. Data Privacy and Security** YourGenes takes the privacy and security of your personal data seriously. We adhere to all applicable privacy laws, including HIPAA (Health Insurance Portability and Accountability Act) where relevant, to protect your data. For more details, please review our Privacy Policy, which outlines how we collect, use, and protect your information.
- 4. Uploading genetic Data** When you upload genetic data (e.g., CSV, VCF files, or other formats) to receive pharmacogenetics reports, you are responsible for ensuring the data is accurate and complete. YourGenes will not be liable for any errors or inaccuracies in the reports resulting from incomplete or incorrect data.
- 5. Ownership and Licensing** All content, reports, software, and materials provided by YourGenes are the property of YourGenes or its licensors and are protected by copyright, trademark, and other intellectual property laws. You are granted a limited, non-exclusive, non-transferable license to access and use our Services for personal, non-commercial purposes.
- 6. Limitation of Liability** YourGenes provides pharmacogenetics reports based on genetic data, but the information provided should not be used as a substitute for professional medical advice. Always consult with a healthcare provider before making

any medical decisions. YourGenes is not responsible for any medical outcomes, treatments, or decisions based on the information in the reports.

To the maximum extent permitted by law, YourGenes will not be liable for any direct, indirect, incidental, special, or consequential damages arising from your use of our Services, including but not limited to errors, omissions, or loss of data.

7. Termination of Service YourGenes reserves the right to suspend or terminate your access to the Services at anytime, without notice, if we believe you have violated these Terms or if we are required to do so by law. Upon termination, you will no longer be able to access your account or any associated data.

8. Modifications to Terms YourGenes may modify or update these Terms at anytime. Any changes will be posted on this page, and the effective date will be updated accordingly. By continuing to use the Services you accept any changes, you accept the updated Terms.

9. Governing Law These Terms and any disputes related to YourGenes will be governed by and construed in accordance with the laws, without regard to its conflict of law principles.

10. Contact information If you have any questions about these Terms.

11. Agreement By using YourGenes, you acknowledge that you have read, understood, and agree to be bound by these Terms and Conditions.
